BOOSTING EMPLOYEE PRODUCTIVITY THROUGH NEW, HIGHLY EFFECTIVE METHODS FOR COLLABORATION

Darrayl Miles is an influential entrepreneur, devoted father, passionate communicator, mentor and up and coming actor. He is co-founder of Milestone Motivation and is co-host of the Milestone Motivation radio show.

Darrayl is also President of The Miles Agency, an Allstate Insurance Agency. In four years under Darrayl's leadership, the company grew to a \$3.6 million agency with over 3,000 customers. Leveraging his expertise in productivity improvement and performance enhancement, Darrayl reduced the company's loss ratio by 33% and improved customer loyalty by 14% in less than 18 months.

Prior to running Miles Agency, Darrayl spent 11 years working for Fortune 100 companies in training, sales and product management where he was responsible for multi-million dollar accounts. His productivity improvement and partnership engagement efforts led one organization to \$26 million sales growth in less than three years and helped other company to grow market share by 20% in fewer than five months.

Skills garnered in the Fortune 100 business world combined with Darrayl's entrepreneurial leadership ability are what guide his work with Milestone Motivation. Darrayl credits his success as an entrepreneur to discovering his spiritual gifts early in life. These gifts enable him to be of greater service to individuals, organizations and the community as well as to help others to recognize their own gifts that can lead to "superhuman performance."

Darrayl has a B.S. Biology with a minor in Chemistry from Florida A&M University.
